

FII INSTITUTE PRESS KIT 2025

ABOUT FII INSTITUTE

A new generation data-driven non-profit foundation

FII Institute started in 2017 as an annual event bringing people together to invest in the most promising solutions. We realized that this energy of catalyzing ideas into actions with a global human impact should happen more than once a year. We need ongoing, sustained action. FII Institute has expanded its scope to become a fully-fledged, new generation of global, non-profit foundation.

FII Institute is a **thought-leadership** organization driven by data, producing research, reports, initiatives, and indexes. We curate global conversations, **conferences and summits**. We empower **innovators** and **startups** through access to investment to accelerate growth and we are supported by a **membership community of changemakers**. By focusing on addressing global challenges and unmet needs, we unlock value and create opportunities for an **Impact On Humanity**.

MANAGEMENT BIOGRAPHY

Richard Attias

Chairman of the
FII Institute Executive Committee; Acting
CEO, FII Institute
richard.attias@fii-institute.org

Richard Attias is the Chairman of the FII Institute Executive Committee, Member of the Board of Trustees, and Acting CEO of FII Institute.

He is also the Founder and Chairman of Richard Attias & Associates, a leading global communication strategy firm, and previously served as Executive Producer of the World Economic Forum (1996–2008).

Over the course of his career, Attias has built an unparalleled reputation for activating powerful networks, inspiring innovation, fostering public-private partnerships, and driving foreign direct investment in emerging markets.

Attias began his professional journey at IBM, where his passion for innovation led him to establish several companies in the global IT and computing services sectors, before spending a decade at the media conglomerate Publicis Groupe, where he served as Executive Chairman of Publicis Events Worldwide. He also served as CEO of the UAE government entity Dubai Event Management Company.

Attias completed his studies in civil engineering and earned a master's degree in mathematics and physics.

IMPACT ACHIEVEMENTS

THINK ACHIEVEMENTS

- **Thought Leadership: Publications** | Shaping Global Discourse Through Insight-Driven Thought Leadership
 - FII Institute has produced over 100 publications tackling urgent global challenges from the AI revolution, climate change, and food security to longevity, vaccine equity, green innovation, etc. informing decision-makers and sparking global dialogue.
- **Initiatives** | High-Impact Initiatives for a Better Future
 - **AI.Inclusive:** A global pledge to advance ethical AI in emerging markets by building a scalable startup ecosystem. Targetting commitments by private investment and supported by academia, tech partners, and policymakers, it focuses on locally driven pilot projects, training, and incentives to make AI inclusive and impactful.
 - **Healthy Humanity:** Transforming global healthcare by prioritizing prevention, wellness, and early intervention. It invites governments, insurers, and innovators to build proactive, scalable health systems making wellbeing a universal standard.
 - **Ocean Central by WAVE:** A mission to protect and regenerate our oceans by promoting sustainable interaction with the planet's vital aquatic ecosystems.
- **Compasses** | Guiding Impactful Decisions with Data-backed Insights for Leaders and Policymakers.
 - **FII PRIORITY Compass:** Captures humanity's top priorities through data from over 50,000 respondents across 24 countries, representing 62.5% of the global population.
 - **FII Healthy Longevity Compass:** Explores how strategic investments in longevity can enhance global quality of life.
 - **Global Future of Work Compass:** Identifies emerging risks and opportunities reshaping the workforce, offering leaders a roadmap for navigating rapid change.

IMPACT ACHIEVEMENTS

XCHANGE ACHIEVEMENTS
