

# FII INSTITUTE MEMBERSHIP

## A GLOBAL MEMBERSHIP PROGRAM

The FII Institute is a global, non-profit foundation guided by one mandate: Impact on Humanity. As a member of our community, you join an exclusive network of world leaders, global CEOs, senior decision-makers, and investors shaping the future. Gain insight, influence, and the opportunity to make a difference across AI, education, health, and sustainability.

### MEMBER BENEFITS

#### Global Community Engagement

Year-round engagement with an influential community of senior executives, investors, policymakers, and innovators shaping global priorities and advancing impact on humanity.

#### Priority Participation at FII Convenings

Access to the Riyadh Flagship Conference and FII PRIORITY Summits worldwide, with preferred seating, fast-track services, and enhanced proximity to key dialogues.

#### Strategic Connections & Private Meetings

Curated networking through the app and access to confidential settings enabling high-level discussions, partnerships, and long-term collaboration.

#### Leadership Forums & Thought Leadership Participation

Opportunities to engage in conclaves, closed-door dialogues, proprietary insights, and thought leadership initiatives, including workshops delivered in collaboration with leading institutions.

#### Recognition & Visibility

Opportunities to enhance visibility through media features, FII Institute TV interviews, and potential contributions to FII Institute publications, such as op-eds and white papers, subject to editorial discretion.

#### Exclusive Member Experiences

Access to curated networking receptions, golf gatherings, members-only dinners, and invitation-only settings that foster trusted relationships beyond the conference agenda.

#### Members-Only Spaces

Access to exclusive areas reserved for members, including dedicated lounges and bilateral meeting rooms during conferences.

#### Digital Member Platform

Access to digital platforms enabling continuous connection across the global FII community, alongside curated content, program information, and proprietary insights.
