INVEST IN DIGNITY

June 11 – 13, 2024

COPACABANA PALACE, RIO DE JANEIRO

FII PRIORITY SUMMIT RIO DE JANEIRO: INVEST IN DIGNITY

Under the theme, **Invest in Dignity**, the FII PRIORITY Summit Rio de Janeiro will delve into how investing in renewable energy, AI and entrepreneurship, and social impact can build a new global order that prioritizes dignity for all. Ensuring that global citizens' dignity is nurtured and protected stands as a pivotal global objective and is inextricably intertwined with sustainable development and economic prosperity.

“

We all want to make the world capable of welcoming all its inhabitants with dignity - and not just a privileged minority.

- President Luiz Inácio Lula da Silva

”

In the words of Brazilian President Luiz Inácio Lula da Silva, “ We all want to make the world capable of welcoming all its inhabitants with dignity - and not just a privileged minority.”

Investment into climate-conscious action, the most powerful novel technologies, and equitable solutions represents the foundational seed, from which a dignified world for all will grow.

ABOUT FII PRIORITY SUMMITS

Building on the FII Institute's flagship annual conference in Riyadh, Saudi Arabia, the FII PRIORITY Summits are more than just gatherings of forward-thinking leaders—they are **engines for action**, hosted in **cities that are driving the trends** that will shape humanity's collective future. Global figures convene in diverse urban hubs, with a special focus on the Global South, to develop concrete strategies that address the pressing issues attracting global attention. More than reflecting on the status quo, the Summits' agendas encompass topical issues on a macro scale, plotting the course from today's challenges to tomorrow's touchstones.

PAST & CURRENT PRIORITY SUMMITS:
